Albuquerque NM 87105

March 18, 1998

Dear Ms. Gutierrez;

The New Mexico Automotive Recyclers Association has always endorsed sound environmental practices. We are pleased with the manual you sent to our organization. It was well written and compiled. We found the manual easy to read and follow.

I personally feel this manual will be of benefit to all in the Automotive Trades in Albuquerque and Bernalillo County.

Sincerely;

Bill Proffer

Secretary

New Mexico Automotive Recyclers Association
